SWAROOP RANJAN

PROFILE

Motivated and detail-oriented BTech Computer Science student with a strong foundation in programming, web development, and data structures. Passionate about cinematography and video editing, with over a year of experience using DaVinci Resolve and other software. Adept at combining technical and creative skills to produce high-quality content.

Enthusiastic about problem-solving, continuous learning, and leveraging technology to create innovative solutions. Currently exploring crypto trading and content creation to expand practical expertise.
